[VIA A-2799 AGUA DULCE LYRIS DISTRIBUTION LIST ONLY]

PETITION OF CYNTHIA GRIMES, JOHN BRUNOT, AGUA DULCE NEIGHBORS, SUSAN TURNER, AND MARCY AND GLEN WINTER FOR REVIEW OF WASTE DISCHARGE REQUIREMENTS ORDER NO. R4-2022-066 FOR THE AGUA DULCE RESIDENTIAL DEVELOPMENT PROJECT, AGUA DULCE, LOS ANGELES COUNTY; ISSUED BY THE LOS ANGELES REGIONAL WATER QUALITY CONTROL BOARD: EXTENSION OF TIME AND INFORMATION ABOUT RESPONSES TO PETITION
SWRCB/OCC FILE A-2799

To All Parties and Interested Persons:

The State Water Resources Control Board (State Water Board) received a letter dated December 22, 2022 from the Los Angeles Regional Water Quality Control Board (Los Angeles Water Board) requesting an extension of time to February 24, 2023 to respond to the above-referenced petition and file the administrative record. That request is hereby granted.

The new deadline for any person who would like to file a response to the petition is now 5:00 p.m. on February 24, 2023. All responses should be emailed to me at philip.wyels@waterboards.ca.gov. Copies of all responses should also be sent to the email addresses of all parties and interested persons listed below.

In its December 22, 2022 letter, the Los Angeles Water Board also asked for additional information regarding the State Water Board's review so that it may "devote more resources to the areas of interest to the State Water Board." All persons are hereby notified that the primary issues of interest to the State Water Board are whether the Los Angeles Water Board evaluated the appropriate scope of potential water quality impacts associated with the project in accordance with its responsibilities under the Porter-Cologne Water Quality Control Act (Water Code section 13000 et seq.) and whether the Los Angeles Water Board properly concluded that a subsequent or supplemental environmental impact report was not required for the project in accordance with California Code of Regulations, title 14, section 15162, subdivision (c).

As stated in my November 28, 2022 letter, any person who would like to receive future correspondence from the State Water Board regarding this matter must subscribe to the electronic mailing list named "A-2799 – Agua Dulce" under "LEGAL NOTICES – Office of the Chief Counsel" at http://www.waterboards.ca.gov/resources/email_subscriptions/swrcb_subscribe.shtml. Future correspondence regarding this matter will not be sent in hard copy (or direct electronic email), unless a request to receive future correspondence in hard copy is mailed to Adrianna Crowl at the Office of Chief Counsel at the address in the letterhead. You should act as soon as possible to ensure you receive all items of future correspondence.
