To Interest Parties:

The Angeles National Forest is submitting a cooperative agreement application to the State of California, Department of Parks and Recreation, Division of Off-Highway Motor Vehicle Recreation. The application is for the 2012-2013 Off-Highway Motor Vehicle Recreation Grant funding cycle and we are interested in receiving your comments.

Ground Operations, Law Enforcement, and Restoration are the focus of the Forest's grant application submissions. These grants support the National Forest in providing services for off-highway vehicle recreation opportunities, and help to protect and rehabilitate areas impacted by unauthorized motorized use.

The Angeles National Forest cooperative agreement draft application will post March 5, 2013 on the State of California's website www.ohv.parks.ca.gov. The State's website will provide detailed instructions for accessing the preliminary application and submitting comments. If you do not have internet access and would like to have a copy of the application mailed to you, please call the Angeles National Forest's Santa Clara/Mojave Rivers Ranger District Office at (661) 269-2808.

The public review and comment period to the application starts on March 5, 2013, and comments to the application must be received by Monday, April 1, 2013. Please submit electronic email comments to the State OHMVR Division at www.ohv.parks.ca.gov and the ANF at rkidd@fs.fed.us.
