

Antelope Valley Town Halls:
Interim and Supportive Housing Ordinance and
Wastewater from Occupied RVs

The 2020 Greater Los Angeles Homeless Count identified 66,436 people experiencing homelessness - a 12.7% increase from the previous year. The impact of homelessness can be seen in communities throughout the County. In response, the County has initiated several strategies to address the crisis.

Please join the County of Los Angeles for an upcoming town hall to discuss the Interim and Supportive Housing Ordinance (ISHO), and the County's greater efforts to address wastewater from occupied RV's.

These town hall meetings are for the residents of the unincorporated communities of the Antelope Valley to ask questions and provide input to the County. Staff from the LA County Departments of Regional Planning, Public Health and Public Works, as well as the Homeless Initiative team, the Los Angeles Homeless Services Authority and the Sheriff's Department will be in attendance.
